# **Message from Cllr Peter Rushbrook**

## **Chair HKSD Parish Council**

Dear Residents,

November is upon us along with the shorter days and damp road conditions, please take extra care when out and about.

Guy Fawkes Bonfire Night will be on Sunday 5th November, Gates will be open at 530pm with the Fire being lit at 6.30pm. Keep an eye out for the banners.

Remember, no sparklers are allowed in the Heathside.

There are new classes and events at the village halls from dancing to kids after school clubs and fitness classes to suit everyone.

The Copper Beach Allotment Society is busy clearing new areas and making a garden. All the plots have been taken up but you are more than welcome to register your details on our waiting list by contacting the Parish office.

We are hoping that the levelling of the public footpath between Westminster Field and Station Road, South Darenth will be taking place soon resulting in easier access for all.

Sadly, vandalism in the parish is ongoing. Many cars opposite The Bull Pub were recently keyed. Thankfully this was caught on CCTV and Kent police are following up on it. Please keep an eye out for rubbish being dumped in the Shrubbery & Montgomery Road area, including the alleyways. There have been a number of incidents which have cost the Parish Council, and therefore you, approx. £500 to dispose of.

Westminster Field gate has been replaced .Please keep an eye out for anyone causing damage and report it to the police straight away.

To finish I would like to remind everyone that you are all welcome to come to the Parish council meetings held on the first Monday of every month, and if you would like to put your name down to volunteer for any of the work days, then please drop a message to us.

Look after yourselves and stay safe.

Kind regards

Cllr Peter Rushbrook, Chairman HKSDP

# **Report from the Halls Committee**

The Village Hall and the Jubilee Hall continue to be used regularly and this is very encouraging as the running costs of both halls are increasing. The details of booking procedures can be found on the website and it is advisable for casual hirers to look at the availability of the halls before contacting the office to make a booking.

The Parish Council has become aware that, sadly, a very small number of hirers do not follow the checklist of terms and conditions for hiring the hall – examples include leaving lights on, not checking that doors and windows are closed securely and leaving rubbish. At a recent committee meeting it was agreed that as a condition of returning the deposit, hirers must physically sign the checklist form to indicate that they have followed procedures and noted the time that the premises were vacated.

Reminder – as from 1st April 2024 hall rental is to be charged a month in advance for regular hirers.

## **Good news**

1. There is a complete set (120) of new chairs for the Village Hall.
2. The Village Hall will be re-decorated hopefully in the October half-term or as soon as possible afterwards.
3. The dual fuel (gas & electricity) range in the Village Hall kitchen will be replaced with a new all - electric range.

**Terry Moyle - Halls Committee Chair**

# **Report from the Recreation and Open Spaces Committee**

Welcome to my first report as Chair of the ROS Committee.

The committee has responsibility to discuss and make decisions on matters relating to the Parish Council owned open spaces. Any member of the public is welcome to attend our meetings.

## Football

We have two areas that our thriving football teams play on at Heathside and Westminster Field and this takes a lot of management time by the Parish Council. We have recently succeeded in a bid to the Football Foundation PitchPower grant to help with the associated costs of running the pitches.

## Trees

Our annual health and safety tree survey has been carried out with various works being recommended and these will be completed over the next few weeks.

## Playgrounds

We have three Parish Council playgrounds at Heathside, Saxon Place and Shrubbery Road and the annual safety inspection has highlighted some recommended improvements which the Parish Council will complete.

## Allotments

The committee works closely with the allotment representative and recently agreed the Allotment Society could continue to cultivate the wild area behind the playground, including the pond and raised beds.

### Toilets

Unfortunately due to recent vandalism the toilets at Heathside had to be closed for repair work to be carried out.

### Paddocks

The bottom paddock is much improved with the bushes and nettles cleared and dumping of rubbish seems to have stopped. The top paddock is undergoing the same kind of clearance of bushes and nettles and trees with the objective that the dumping of rubbish here will also stop. We will be trialling a marked football pitch in the upper paddock for ad-hoc training use.

### Heathside

The broken gate to the entrance has now been repaired and the surface to the entrance is currently being discussed on how best to improve accessibility.

### Burial Ground

The annual inspection was recently completed with a couple of dangerous headstones having to be laid down for safety reasons.

The committee continues to work hard to improve the open spaces within the village and would welcome any suggestions and offers of help.

**Dawn Mitchell - ROS Chair**

# **Family Fireworks**

**Sunday 5th November**

**Gate opens at 5pm**

**Bonfire lit at 5.45pm**

**Heathside (Behind Village Hall)**

---

## Free Money!

The Parish Council currently has grant funding available to support local community groups. Eligible community groups can apply for funding by submitting a completed Grants Application form along with the necessary documents, to the Parish Office. Funding is awarded on an annual basis and the deadline is 31st December. See HKSDPCwebsite for further details and form or contact the Parish Clerk. [Grants for local community groups](#)

# Sevenoaks - Farningham, Horton Kirby and South Darenth

43 crimes were reported here during July 2023

Top reported crime type	Instances
Criminal damage and arson	17
Violence and sexual offences	10
Anti-Social behaviour	6
Other crime	10

PC Gareth Mahoney

Please report all incidents to 101 or online. If anti-social behaviour (including nuisance bikes on our recreation fields) are not reported then there will be no record. No record means the perception that there are no incidents. The more recorded the more chance of some action by the Police being taken.

# ROPER'S CHARITY

Farningham, Eynsford, Crockenhill, Horton Kirby and South Darenth

The Ropers were a wealthy Catholic family living mainly in Chelsea but also owning land in Eltham and Canterbury. In 1555 William Roper bought an estate in Farningham – hence the local connection.

William Roper's son, Anthony, was the benefactor to the parishes. In Anthony Roper's will dated 1594, three years before his death, he left a specific income stream for *some charitable uses*. These funds were willed to his wife Ann in trust and she was instrumental in setting up the document which specifies the geographical areas (the parishes) and the potential recipients of the income generated by the investment of the funds.

Over the years the Anthony Roper Trust became known informally as Roper's Charity and is still going strong, over four hundred years later. Within its specific geographical area, Roper's Charity supports the education and wellbeing of children and young people, the elderly, and anyone else in need of support.

The Charity of Anthony Roper is a charity registered with the Charity Commission.

For details look at the website – [www.roperscharity.com](http://www.roperscharity.com) – and send a message.

Horton Kirby and South Darenth has three trustees, two appointed by the parish council and one co-optative trustee.
